

A&H Kitchens Specification of Cabinets & Doors

Here at A&H Kitchens, we are proud of our quality, hardwearing and timeless product.

All our cabinets are made to order, as per your specification in a choice of over 100 available Egger board colours.

Being supplied ready assembled, and constructed from 18mm MFC, our cabinets are built to last.

They include:

- 0.8mm hard wearing ABS edging to all exposed edges
- 18mm matching MFC back panels for added strength and rigidity
- Cam & dowel assembly for easy on site dismantling where necessary
 - Matching foil wrapped centre posts
 - Height adjustable interior shelves
 - Steel shelf support pegs
 - Hettich soft close hinges
- Hettich Avantech YOU soft close drawer boxes with MFC base and metal backs
 - Base units on height adjustable legs
- Wall units fitted with concealed hanging brackets
 - Base and tall units have 50mm rear void
 - Wall units have 15mm void
 - All units are handed to your specification

We also produce a range of cut and edged gloss slab doors.
